

The Brand *Guideline*

These guidelines will help us create a consistent and impactful brand experience that reflects our core values, and expression.

Our Brand *Story*

Vision | Mission | Values

Vision

Our vision is to be the global gateway to authentic Himalayan luxury.

Be recognized as the leading Himalayan destination that seamlessly blends luxurious comfort with cultural immersion, inspiring responsible tourism and leaving a positive footprint on the region's environment and communities.

Mission

Our mission is to create unforgettable experiences for every guest.

We want you to feel welcome, pampered, and deeply connected to the magic of the Himalayas. We go beyond just providing a place to stay; we offer a sanctuary where you can relax, reconnect, and discover the wonders of Himachal Pradesh.

Values

Excellence

Delivering the highest standards in all aspects.

Authenticity

Offering genuine experiences that reflect the culture, heritage and essence of the hotel's location.

Supporting Community

Engaging with and giving back to local community, often through partnership, initiatives or programmes that promote local culture, artisans and traditions.

Our Brand *Expression*

Expression | Tone of Voice

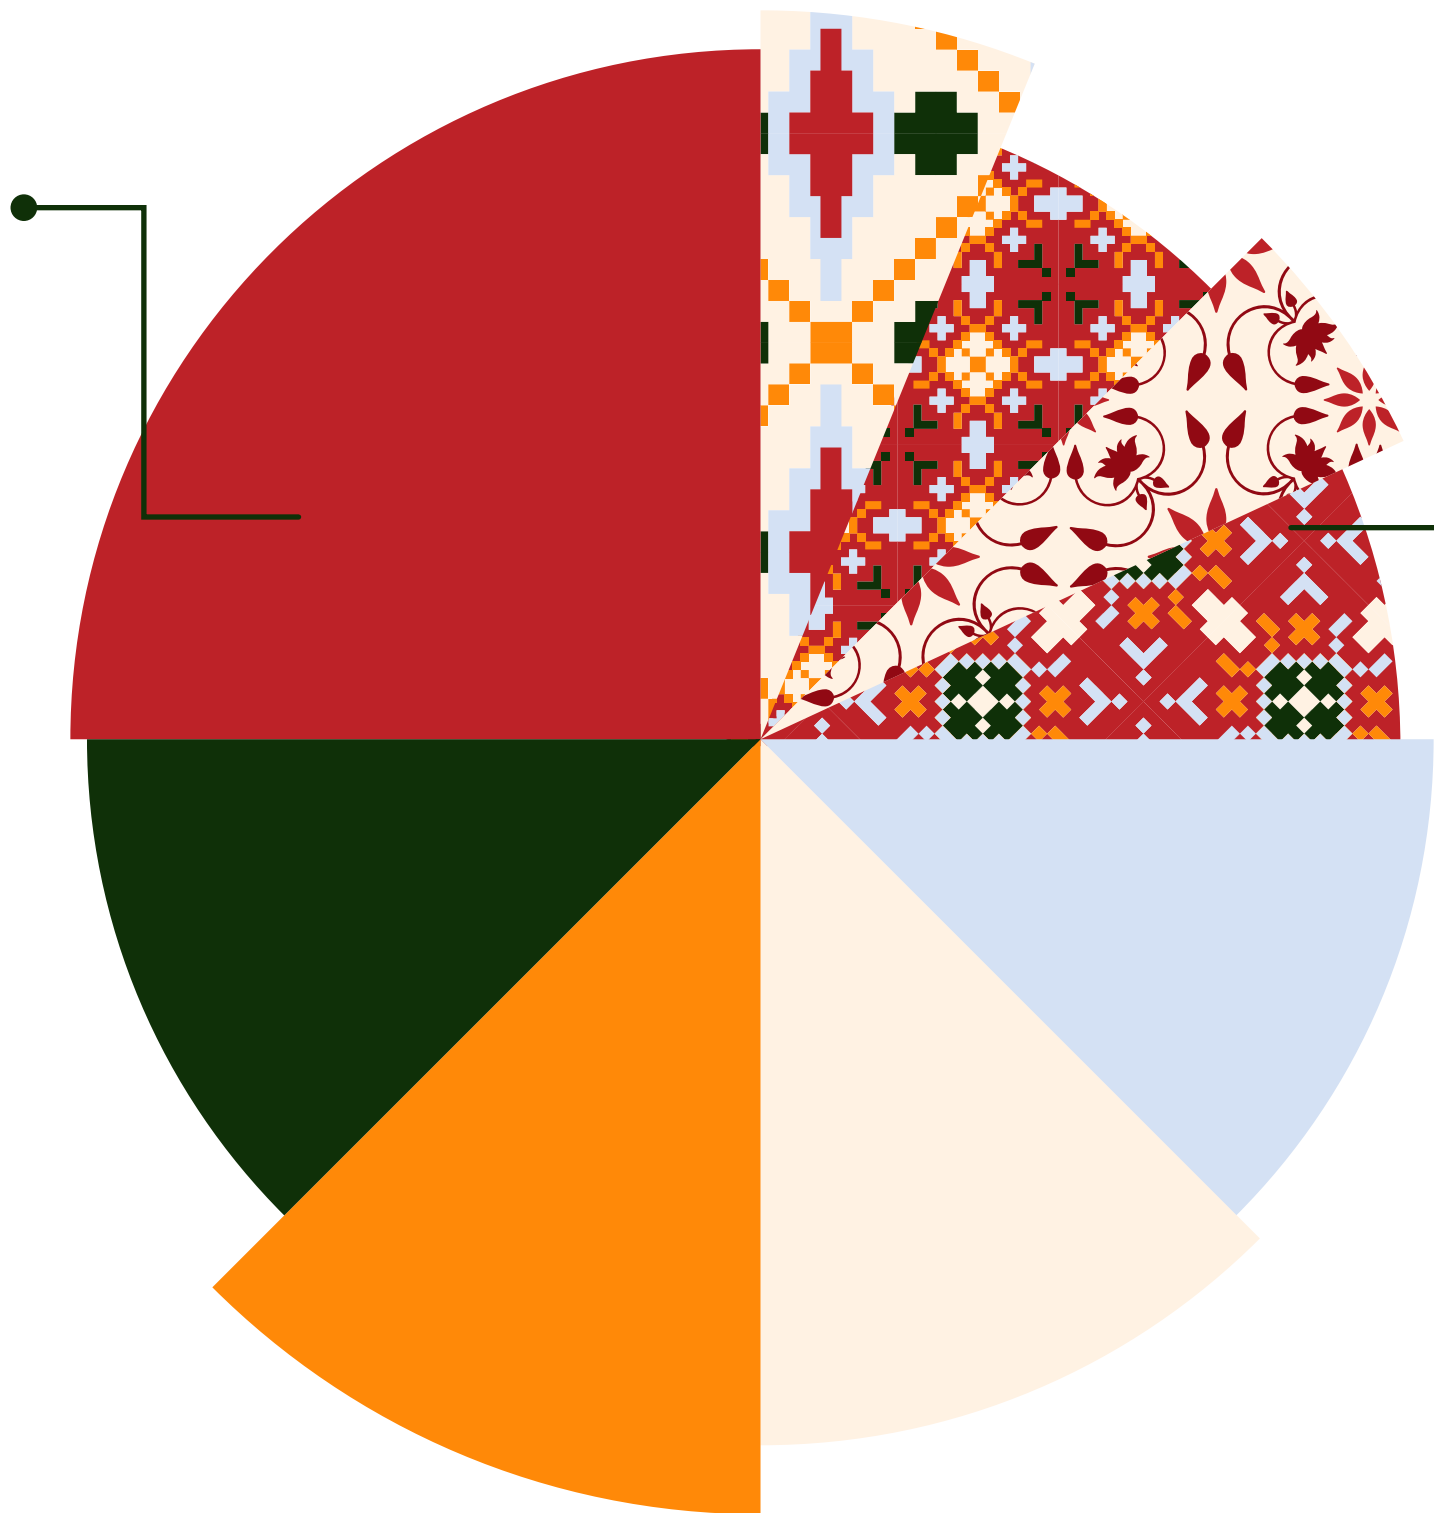

Expression

Functional

75%

Expressive

25%

Tone of Voice

Clear and Concise

Information is presented in a straightforward and easy-to-understand manner.

Action-oriented

Language encourages guests to book, explore, and engage with the hotel's offerings.

Warm and Inviting

Creates a sense of hospitality and personal connection with the guest.

Cultural Connection

Acknowledges the richness of Himachal Pradesh and incorporates local elements in a thoughtful way.

Our Brand *Logo*

3.1 Iconography

Functional:

Universally Understood Symbols: We primarily use icons that are recognized worldwide, ensuring guests from all backgrounds can easily understand their meaning.

Expressive:

The aim is to create a sense of discovery and connection for guests without compromising clarity. These expressive elements should complement the primary function of the icon and not overshadow it.
